ROTR Price = Recommended On the Road Price.

* Automatic 8-speed.

** All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO₂ emissions and are correct at the time of print. WLTP replaces the previous NEDC test method. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

¹VRT Bands and rate of Annual Road tax are valid as of 1st January 2020 and calculated from the correlated NEDC figure derived from WLTP for cars produced from CW48/2019 onwards.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st May 2020. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

Touareg

Interior Equipment

- » Leather wrapped multifunction steering wheel with Tiptronic
- » Decorative inserts in 'Cortina Silver Matte'
- » Heated front seats
- » Carpet mats in front and rear
- » Black decorative trims
- » Seat trim covers in 'Graphite'
- » Fabric door and side trim panel
- » Illuminated vanity mirrors in sun visors
- » Centre armrest in front
- » Centre console painted in black matte
- » Assymetrical split folding rear bench seat and backrest, longitudinally sliding with backrest tilt and adjust and centre armrest
- » Luggage compartment cover
- » Plastic loading edge protection
- » Height and longitudinally adjustable steering column
- » Front seats with height adjustment
- » Plastic scuff plates in door apertures

Exterior Equipment

- » 19" 'Osorno' alloy wheels
- » LED headlamps for low beam and high beam with separate daytime running lights
- » Automatic headlight control with LED daytime running light and Coming and Leaving Home feature
- » LED rear combination lamp
- » Folding, power adjustable and heated exterior mirrors
- » Silver anodised roof rails with black base
- » Headlamp washer system
- » Heat insulating glass windshield
- » Rear fog lamp

Functional Equipment

- » 9.2" navigation system 'Discover Pro'
- » Premium telephone system with storage compartment with mobile phone interface in front and wireless charging
- » App Connect with Apple Car Play and Android Auto
- » eSim- Allows the Touareg's to always stay online and use CarNet Guide & Inform
- » Adaptive cruise control 'Stop & Go' incl. speed limiter
- » Air care climatronic with 2 zone climate control
- » Multifunction display/trip computer 'Top'
- » Rear view camera
- » Electromechanical parking brake with auto hold and hill climb assist
- » Instrument cluster with electronic speedometer, odometer & trip odometer and tachometer
- » Forward collision warning 'Front Assist'
- » Park Assist with Park Distance Control
- » High beam control 'Light Assist'
- » Start/stop system with generative braking
- » Driving Profile Selection
- » Lane keeping system
- » Central locking system 'Keyless Go' without SAFELOCK
- » Starter switch locking system
- » Dynamic road sign display
- » Diversity antenna for AM/FM reception
- » 8 speakers
- » Driver alert system
- » Acoustics package 'Extra'- exterior noise suppression
- » Automatically heated washer nozzles in front
- » Electric interface for external use, 3 additional USB jacks
- » Fresh air intake system with combination filter

- » Dynamic headlight range control
- » Remote unlocking for luggage compartment
- » Two tone horn
- » Car-Net Security and Service
- » Tyre Mobility Kit

Safety Equipment

- » Driver and front passenger airbag with front passenger deactivation
- » Curtain airbag system in front and rear
- » Anti-theft alarm system with interior monitoring, backup horn and towing protection
- » Emergency call service and roadside assistance call
- » Visual and acoustic seat belt reminder, electric contact in front and rear
- » Tool kit
- » Extended pedestrian protection measures
- » Safety optimised front head restraints
- » 3 point seat belts in front with height adjustment and seat belt pretensioner
- » Automatic slip control differential lock
- » First aid bag and warning triangle
- » ISOFIX anchorage points for mounting 2 child seats on rear seats
- » Tyre pressure monitoring system

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Touareg Business (in addition to Touareg)

Interior Equipment

- » Seat trim covers in 'Vienna' leather
- » Comfort seats in front
- » Mechanical rear seat release
- » Leatherette door and side trim panel
- » Centre armrest in rear with beverage holder
- » Manually adjustable lumbar support
- » Heated steering wheel
- » Lumbar support

Functional Equipment

- » 'Easy Open Package'- Electric powered luggage compartment opener and electric closing with remote unlocking
- » Power latching for tailgate/boot lid
- » Powered luggage compartment cover
- » Keyless access
- » Keyless locking and starting system with SAFELOCK

Exterior Equipment

- » 20" 'Montero' alloy wheels in 'Glam Silver'
- » Wheel locks with extended anti-theft protection

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice

Touareg Design (in addition to Touareg)

Interior Equipment

- » 'Elegance' Style Package
- » Seat trim covers in 'Vienna' leather
- » Decorative aluminium inserts
- » Interior ambient lighting
- » Centre armrest in rear with beverage holder
- » Leatherette door and side trim panels
- » Comfort seats in front
- » Double illuminated vanity mirrors in sun visors
- » Mechanical rear seat release
- » Bright decorative trims
- » Scuff plates in door apertures with metal inserts
- » Powered luggage compartment cover
- » Stainless steel loading edge protection
- » 4-way pneumatically adjustable lumbar support

Exterior Equipment

- » 20" 'Montero' alloy wheels in 'Glam Silver'
- » Wheel locks with extended anti-theft protection
- » I.Q. LED headlamps for low beam and high beam with LED separate daytime running light and dynamic cornering light
- » LED rear combination lamps, with dynamic turn signal
- » Folding and adjustable exterior mirrors, heated with memory feature and auto dimming
- » Painted exterior mirror housings
- » Separate daytime running lights with automatic headlight control and 'Leaving Home' & 'Coming Home' feature
- » Stainless steel loading edge protection
- » 'Chrome & Style' comfort bumpers

- » 'Design' rear exhaust tailpipe
- » Chrome-plated decorative trims on the side windows
- » Tinted rear windows

Functional Equipment

- » Premium memory package
- » 'Easy Open'- Sensor controlled luggage compartment opener and delayed electric closing with remote unlocking
- » 'Light and Sight' package
- » Keyless access with SAFELock
- » Power seat adjustment for both front and rear seats
- » Power latching for tailgate/trunk lid

Safety Equipment

- » Extended pedestrian protection measures incl. reactive hood
- » Safety steering column with electric axial and tilt adjustment

Note: Images below include optional innovation cockpit

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice

Touareg R-Line & R-Line: Black Pack

R-Line Exterior

- » R-Line bumpers, front and rear in R-styling
- » Radiator grille with R-Line badge
- » R-Line speed stripes on sides
- » Sill panel trim with R-Line badge
- » Wheel well extensions in body colour
- » Design tail pipe trims, trapezoidal

R-Line Interior

- » R-specific, heated leather multifunction steering wheel with R-Line logo and shift paddles
- » Interior ambient lighting

Note: Some options may require other options depending on the item and trim line.

Innovision Cockpit

The 'Innovision Cockpit' is celebrating its world premiere in the third generation Touareg.

The majority of its buttons are integrated into the 15-inch (1,920 x 1,020 pixels) screen within the central column of the 'Discover Premium' infotainment system, which is curved towards the driver.

The driver can personalise the layout of the 12.0-inch display from the home screen or the multifunction steering wheel. Drivers can also vary the layouts and the type and number of displays according to their personal tastes. Those who like a minimalist layout, for example, can limit the display to the navigation system or digital.

It is also possible to integrate various system displays into the Digital Cockpit as listed:

- » Front Assist (area monitoring system)
- » Night Vision (night-time driving assistance)
- » Driver Alert System & Active Cruise Control
- » Dynamic Road Sign Display
- » Tyre monitoring system
- » Navigation functionality with Destination arrival information
- » Off-road display (including banking angle)
- » Gear indicator & Driving speed (always visible)
- » Fuel consumption & Fuel range
- » Distance covered & Acceleration
- » Elevation (topographic)
- » Audio functions

Driver Assistance Systems

Traffic Jam Assist

This fusion of very different systems enables drivers to take their hands off the steering wheel for a limited time when Traffic Jam Assist including Roadwork Lane Assist automatically assumes longitudinal and lateral guidance (braking, accelerating, steering).

Avoid typical accidents in slow-moving traffic.*

The system can keep the vehicle in lane and automatically operate the accelerator and brake.*

Pre Crash 360°

The proactive occupant protection system detects a potential accident situation.

When detected, the seat belts of the driver and front passenger are automatically pre-tensioned and the electric seat functions are preset to ensure the best possible protection by the airbag and belt system.

If a highly critical and unstable driving situation is detected, the side windows are closed as is the panoramic sliding roof.

Front Cross Traffic Assist

The new Front Cross Traffic Assist in the Touareg now also warns* of vehicles approaching the front of the car from the sides at intersections, driveways and parking spaces.

For this purpose, two radar sensors are integrated in the front bumper, which sense at a 55 degree angle to the vehicle's longitudinal axis to monitor side traffic. Here too, the system intervenes with emergency braking actions*.

*Within the Limits of the System

Infotainment Systems

Wireless Charging

The equipment consists of a storage compartment capable of inductively charging an appropriate smartphone with the Qi Standard, i.e. wirelessly.

Any calls started outside the car can also be transferred by Bluetooth to the hands-free system. The system can be operated by voice command, using the multifunction steering wheel or Infotainment system. Very simple – and precisely how you want it.

DYNAUDIO

The system utilises a Dolby 7.1 amplifier with a power output of 730 watts to drive a total of fourteen loudspeakers: four tweeters in the A-pillars and the front door shoulders (each 65 mm in diameter), two mid-range speakers in the front doors (each 100 mm) and four mid-range speakers in the rear doors (each 200 mm), two effect loudspeakers in the D-pillars (each 100 mm), a centre speaker in the dash panel and a subwoofer under the luggage compartment floor. Create the greatest soundtrack for your driving experience.

Discover Premium

The centrepiece of the InnoVision Cockpit is the top 'Discover Premium' infotainment system, which serves simultaneously as a radio-navigation system, telephone, information centre and user interface for configuring various vehicle functions.

The 'MIB2+ High'-based Discover Premium offered in the Touareg provides features that include the following innovations:

- » Connected navigation
- » 'Nav-Gen4 routing'
- » Self-learning navigation system
- » Hybrid radio
- » Mobile online services
- » Home screen personalisation

Driving Experience

Off Road Package

Additional driving modes for the Touareg are available in conjunction with the optional Offroad package.

Along with the additional driving modes, it includes such features as two towing eyes, a larger fuel tank whose capacity is increased from 75 to 90 litres and an underbody protection system with a radiator guard, reinforced underbody protection, a guard element for the 12-volt battery, very rugged aerodynamic fairing, tank guard and stone impact protection.

Advanced 4-Corner Air Suspension

The new, open air suspension system works both quickly and silently; it is not affected by fluctuations in temperature or outside air pressure.

Active roll compensation with electro-mechanically adjustable anti-roll bars is a completely new feature. These active anti-roll bars significantly reduce the Touareg's side lean when cornering.

On roads that are uneven on one side, directional stability also improves considerably. When driving offroad, meanwhile, the electromechanical decoupling of the anti roll bars enables improved articulation of the axles which, in turn, improves traction.

9J x 20 Tyres: 285/45 R20

OPTIONAL ON ALL MODELS
20" 'Nevada' alloy wheels,
in 'Black' with diamond turned surface
9J x 20 Tyres: 285/45 R20

OPTIONAL ON ALL MODELS
20" 'Braga' alloy wheels,
in 'Black' with diamond turned surface
9J x 20 Tyres: 285/45 R20

OPTIONAL ON DESIGN
21" 'Suzuka' alloy wheels
9.5J x 21 Tyres: 285/40 R21

OPTIONAL ON DESIGN
21" 'Suzuka' alloy wheels
9.5J x 21 Tyres: 285/40 R21

Technical Data

Engine	3.0TDI 231HP	3.0TDI 286HP
Gearbox type	8 speed auto DSG	8 speed auto DSG
Engine type	V6	V6
Fuel tank capacity, ltrs	75	75
Cubic capacity, ltrs/cc	3.0/2967	3.0/2967
Max. output, HP/kW	231/170	286/210
Max. torque, Nm	500	600
Performance		
Top speed, km/h, where the law permits:	218	235
Acceleration, secs 0 – 100km/h:	7.5	6.1
Environmental information		
Official fuel consumption ltr per 100km:		
WLTP: (Min-Max)		
Low speed consumption	10.4-11.2	10.9-11.5
Medium speed consumption	7.9-8.7	8.2-8.6
High speed consumption	7.0-7.4	7.0-7.4
Extra high speed consumption	8.4-8.8	8.4-8.8
Combined speed consumption	8.1-8.7	8.2-8.7
WLTP Emissions Combined, CO ₂ g/km:	213-227	216-228
Emission class	EURO 6	EURO 6

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO₂ emissions and are correct at the time of print. WLTP replaces the previous NEDC test method. The WLTP Min. value refers to the minimum values of the standard entry version excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. The WLTP Max. value refers to the maximum value achieved considering optional extras. To discover exact values please configure your desired vehicle at please visit volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st May 2020. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.
